

Mike Boggs

Biography

Michael Boggs started networking at the age of 19 and was able to go full time by the age of 21.

Boggs has surrounded himself by some of the top producers and trainers over the past 10 years, such as Bill Britt, Mark Yarnell, Enrique Garibay, Troy Dooly, Mark Weiser, Mike Dillard, and many more.

Along the way, Boggs has become one of the best phone prospectors of all time, and provided unique training perspectives to many. Boggs has helped hundreds of people create extra and full-time incomes from home.

At the age of 26, Boggs was named one of fourteen Master Trainers on an Elite team and with a fast-growing company. Compassionate about helping others, Boggs aligned himself with MLMLeads.com to offer a low-cost personal coaching program, and a free live prospecting training every month. Even at a young age, Boggs brings to the table unparalleled training and leadership to all that want it.
